INTER-SOCIETY COLOR COUNCIL ANNOUNCES JUNE 2010 TOPICAL MEETING ON STANDARDS

It is with great pleasure that the Inter-Society Color Council (ISCC) announces a joint meeting of ISCC/ASTM/CIE Division 1 at Princeton University, Princeton, NJ on June 14 -18, 2010. The meeting is titled "Standards: What they are -- What should they be? What will they be?" The program will begin with ASTM Committee E12 on Color and Appearance on June 14-15 for their bi-annual committee meetings. The ISCC Special Topical Meeting will be on June 16 and CIE Division 1 will hold their technical sessions and committee meetings on June 17-18.

For the ISCC Meeting, all the speakers and titles are now confirmed:

--**Wendy Davis**, NIST, "Color quality: Where we are; what's next?"

--**Hugh Fairman**, Resource III, "Reflectance bandpass correction for the ASTM"

--**Changjun Li**, Univ. Leeds, "Tristimulus integration"

--**Rolf Kuehni**, Color Consultant, "Mensurating a perceptual object color solid"

--**Ronnier Luo**, Univ. Leeds, "Color and vision in the CIE---now and in the future"
