Waiver

I know that running a road race is a potentially hazardous activity. I should not enter unless I am medically able and properly trained. I agree to abide by a decision of a race official relative to my ability to safely complete the run/walk. I assume all risks associated with running/walking in this event including but not limited to: falls, contact with other participants, the effects of the weather, including low temperature/high heat/and or humidity, traffic and the conditions of the road, all risks being known and appreciated by me. Although the race course will be monitored, there will be traffic on it. I assume the risk of running/walking under these conditions. Having read this waiver and knowing these facts and in consideration of your accepting my entry, I, for myself, and anyone entitled to act on behalf, waive and release RETEC, municipalities, counties, and cities the course passes through, and all other sponsors, individuals, and volunteers associated with the event, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event. Even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all foregoing and their authorized agents to use my name and photographs, videotapes, motion pictures, recordings or any other records of my participation in this event for legitimate purposes.
