

Mike McHenry joined Clinton, Tenn.-based Techmer PM in July 2020 and is currently CEO and board director. Mike has responsibility for the strategy, operating performance, growth initiatives, and overall day-to-day leadership of the business. He has over 25 years of experience in leadership roles within public, private, and private equity-backed companies. His expertise centers on building exceptional leadership teams, transformation management, customer engagement, operational excellence, and M&A.

Prior to joining Techmer PM, Mike served as president, CEO, and board director of Master Fluid Solutions, where he successfully led all strategic and operational activities within the company's business globally. His experience also includes being vice president of BASF's Coating Raw Materials business in North America. He joined BASF in 2009 as part of its acquisition of Ciba Specialty Chemicals, where he was president of Ciba's Coating Effects Segment in the Americas and a member of the global leadership team. From 2006-2008, he served as vice president and global market center head for Ciba's Process & Lubricant Additives business.

Mike earned his bachelor's degree in chemistry from Rutgers University before holding various leadership posts in the materials industry. Outside of work, Mike is dedicated to his family and the mentorship of aspiring college students. He serves as a board member for the STG (Share the Good) Foundation ([stgfoundation.org](http://stgfoundation.org)), which supports at-risk individuals.
